- R-7s lampholders

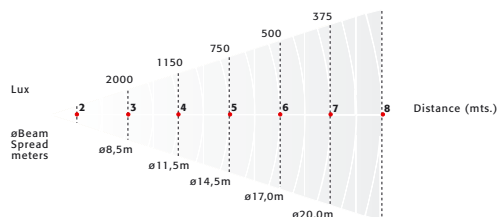

ACCESSORIES CYC LITE

Cyclorama floodlight with wide asymmetric distribution. Ideal for the coverage of cyclorama in theatres, small and medium-size studios. The asymmetrical reflector design provides an exceptionally even distribution over the entire projected area of the cyclorama. Several units can be assembled together for getting strip lights of 2, 4, 6 or 8 lamps.

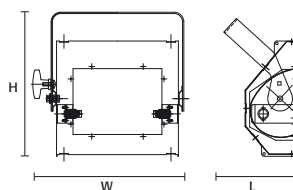

- Two versions available Cyc Lite 500w and 1000w.
- Special designed reflectors with bright aluminium finish.
- Safety screen.
